NEW - ELECTRONIC SAMPLE BALLOTS

Help save County taxpayers more than \$1.5 million and GO GREEN by choosing to receive your sample ballot by email instead of through the regular mail. Per Nevada law, your e-mail address will be kept CONFIDENTIAL and it may not be given to third parties. Sign-up today at www.ClarkCountyNV.gov/vote.

UPDATING YOUR REGISTRATION

You can now update your voter registration information online if you have a Nevada driver's license or DMV-issued ID. Simply go to www.ClarkCountyNV.gov/vote and update your address if you no longer reside at the address at which you registered or wish to change your political party. Eligible citizens who are not registered can also register online if they have a Nevada driver's license or DMV-issued ID.

LANGUAGE INFORMATION

On October 19, 2011, Clark County was notified by the Civil Rights Division of the U.S. Department of Justice that in accordance with Section 203 of the Voting Rights Act, all future elections in Clark County must be conducted in English, Filipino (Tagalog), and Spanish. If you wish to receive your future voting materials in Spanish or Filipino (Tagalog), contact the Election Department at (702) 455-VOTE (8683).

NEVADA IS A CLOSED PRIMARY STATE

In Nevada, voters are prohibited from voting for candidates from another party. Only registered Democrats may vote in the contests that decide which Democrats advance to the General Election. Only registered Republicans may vote in the contests that decide which Republicans advance to the General Election. All registered voters may vote in the nonpartisan contests that decide which candidates advance to the General Election.

NOTICES

Assistance is Available at the Polling Place. Ask any Election Board Officer for assistance if you need help reading the ballot or operating the voting machine. Reasonable accommodations will be made to help any voter requesting assistance at a polling place. (This notice is required by NRS 293.565(8).)

For Voters with Special Needs, every polling place has a voting machine that can display the ballot in extra large font, print the voter verifiable paper trail tape in large font, support audio voting, and support “sip and puff” technology.

For the November General Election, an audio version of each ballot question, to include the explanation and the arguments for and against the question, will be available on the Election Department’s website (go to www.ClarkCountyNV.gov/vote).

You May Be Asked for Identification at the Polling Place. If the data you provided on your voter registration application did not match the data on file at the Department of Motor Vehicles or the Social Security Administration, as applicable, and you did not respond to the letter that was sent to you notifying you of the discrepancy, you will be required to provide identification when you appear to vote. If you do not provide identification, you will only be allowed to vote provisionally in the federal contests that appear on your ballot. The words “ID Required” on the address label of this sample ballot indicate you will be required to provide identification at the time you vote.

Voter Verifiable Paper Trail. Each voting machine in Clark County has a printer attached to the touch screen machine that will print a paper copy of your selections once you indicate you have made all your choices. You can then review the selections to ensure you have not made a mistake before casting your ballot. If you note a mistake, you can correct the error and review another printout before casting your ballot. Once you cast your ballot, the paper printout, which is protected by a plastic cover, will scroll out of view and the machine will be ready for the next voter.

“None of These Candidates.” In all statewide contests, you have the option to select “None of These Candidates.” You may only select “None of These Candidates” if you do not vote for any candidate for the office. (This notice is required by NRS 293.269(3).)

WARNING

A person who is entitled to vote shall not vote or attempt to vote more than once at the same election. Any person who votes or attempts to vote twice at the same election is guilty of a category D felony.

(Publication of this warning is required by NRS 293.780)
